The diagram illustrates the layout of the report cover. A large rectangular box contains the main content. Above the box, several labels in boxes are connected to the box by blue arrows. 'A4規格之白紙(單面書寫)' is at the top left. '標明預報或結報' is at the top right. '實驗名稱' is on the left side, with an arrow pointing to the top center of the box. '個人資料' is on the left side, with an arrow pointing to the left side of the box. Inside the box, the title '實驗物理二報告' is centered. Below it are two checkboxes: '預報' and '結報'. Below the checkboxes is the text '實驗一 XXXXXXXXXX'. At the bottom of the box, there are seven lines of personal information: '班級：物理系XX組X年級', '組別：XX', '姓名：王小明', '學號：496550123', '同組組員：李小華、陳小強', and '實驗日期：2013/XX/XX'. A blue arrow starts from the '標明預報或結報' label, goes down, then left, then up, and finally right, pointing to the checkboxes.
