

Future Leaders Program 2025

2024 Program Highlights

Company visit to the Houston Institute of Global Health

Cultural experience at the Austin City Hall

Alumni Testimonials

Jason: "The program provided access to valuable resources, such as mentorship from industry professionals and networking opportunities with peers who share similar career aspirations."

Sherry: "Modesty From both volunteers and company employees, rather than showing off their backgrounds or achievements, they always selflessly share their work experiences and provide us with practical advice."

Is this You?

Are you looking to **better your skillset**?

Do you have an interest in **connecting with different cultures**?

Would you like to do it with a **highly recognized University**?

Essential Skills You Will Gain from This Course

Leadership Observe industry leaders during corporate visits to learn how they guide their teams to achieve goals

Confidence Step out of your comfort zone in a safe environment, challenge your past self, and accomplish unexpected achievements

Networking Connect with multinational business leaders through courses and build friendships with top talents from various universities

Hard Skills Develop project management skills by completing a group impact project

Soft Skills Learn about global business cultures and enhance cross-cultural communication abilities

Competitiveness Leverage opportunities to build a unique personal brand and establish an irreplaceable position in the market

Snapshot of program participation

UTD Center for Global Business

UT Dallas Center for Global Business is under Naveen Jindal School of Management with a mission to develop globally competent leaders and engage stakeholders to meet future business challenges through high-quality learning, world-class research, and collaborative partnerships.

ECLAT Foundation

ECLAT Foundation is a non-profit organization dedicated to helping deserving students advance their education through providing opportunities, life-enhancing experiences, and financial aid to students in need in the U.S., China, Taiwan, and elsewhere.

i What is FLP?

GOOD BUSINESS COMMUNICATION:

- Meets the Audience's Expectations
 - Purposeful
 - Audience-centric
- Clear
 - Word Choice
 - Organization
- Concise
 - Specific
 - To the point
- Ethical:
 - Respectful
 - Trustworthy

The Future Leaders Program (FLP) is a **two-week virtual program delivered through MS Teams**. Students gain a solid foundation in global business, build a global network, and develop problem-solving skills, including building actionable social impact plans that align with the Sustainable Development Goals (SDGs).

i What is FLC?

The Future Leaders Camp (FLC) is a **two-week in-person program conducted in Texas**. It provides students with a unique opportunity to visit multinational companies, interact with executives across various industries, and participate in a variety of cultural activities.
